

KH Virtual Labs

Virtual Labs | Real Science | Fully Customizable

Learn by doing

Experience

Open ended lab activities enable students to learn to think like a scientist

Effortless

Instructors and students can set up quickly and focus on the lab, not the mess!

Accessible

Labs you can use 24x7 at home and in the classroom

What is Included

Content | Analytics | Simulations

Adopt and/or Customize

- 150+ student worksheets aligned to major textbooks

Academic Integrity

- Student proof of work and audit trail with “lab book” and “lab cam”

Lab Simulations Built Over Extensive Science SDK

- Titrations
- Calorimetry
- Inorganic
- Gases
- Quantum
- Organic Synthesis
- Organic Qualitative Analysis

Use Cases for

Instructor Collaboration

Pre or Post-Lab Supplement

Digital Lab (Wet Lab Replacement)

Interactive Lectures

Lab Make-Up

Extra Credit
